

AWARD SHEET SUPPLEMENT- BID NO. FB-00035
Cryogenic Oxygen Plant Maintenance & Technical Support

I. PURCHASING INSTRUCTIONS

A. Award Description

The awarded Bidder shall provide maintenance, repairs, upgrades and technical support services for various cryogenic oxygen plants at facilities managed by the Water and Sewer Department (WASD). Services include assigning a Field Engineer and Technical Support Staff to assist WASD in the start-up operations, upgrading of existing equipment, maintenance, and emergency repairs of the Cryogenic Oxygen Plants at the Wastewater Treatment Plants.

The work also consists of furnishing all necessary labor, parts, materials and equipment that WASD might need to meet operational requirements for scheduled maintenance and repairs.

This contract shall commence on October 1, 2014 and shall remain in effect through September 30, 2019. Prior to, or upon completion, of that initial term, the County shall have the option to renew this contract for an additional five (5) years.

B. Treatment Plant Locations

WASD operates three (3) treatment plants that process and treat wastewater. Located at these three (3) wastewater treatment plants are nine (9) oxygen plants, which produce oxygen at a high purity level which is used in the wastewater treatment process.

The location of the three (3) treatment plants are as follows:

1. North District Wastewater Treatment Plant
2575 NE 151 Street, North Miami Beach, FL 33160
2. Central District Wastewater Treatment Plant
3989 Rickenbacker Causeway, Virginia Key, Miami, FL 33149
3. South District Wastewater Treatment Plant
8950 SW 232 Street, Goulds, FL 33170
